

The Ethel Wight Photograph Collection

The negatives in this collection are identified only by the person who paid for them. They are listed here alphabetically by last name. The address of the person who paid is included where available. There is no guarantee that the person in the photo is the same as the person paying or that they are even related. Please make note of the name, address and envelope number of the photos you would like to order. These photographs were taken in the 1930s-1950s. Please remember that when considering the address given as well as the subject matter. You may order any of these photos in print or high-res digital form.
